

NERA

Front End Developer

Shamli, Uttar Pradesh | +91-8962375704 | nera8563@gmail.com

LinkedIn: linkedin.com/in/nera123 | GitHub: github.com/nera8563

SUMMARY:

Second-year B.Tech CSE student with strong skills in HTML, CSS, JavaScript, and React.js. Experienced in building responsive web applications and actively improving problem-solving through DSA in C++. Seeking opportunities to apply my frontend skills in real-world projects.

EDUCATION:

2024-2028 (current) | Geeta University

Bachelor of Technology in Computer Science and Engineering

2023-2024 | Florence Dale Public School

Intermediate (CBSE)

2021-2022 | Florence Dale Public School

Matriculation (CBSE)

EXPERIENCE:

Ipsr Solutions Limited | Remote

Digital Marketing Intern | October, 2025 - November, 2025

- Conducted research on target audiences and analyzed engagement trends across social media platforms
- Created and optimized content (captions, posts, ideas) using AI tools to improve reach and engagement
- Assisted in planning and executing basic digital marketing strategies for brand awareness

Geeta Technical Hub | Geeta University, Panipat

DSA Trainee (C++) | June, 2025 - August, 2025

- Built strong fundamentals in Data Structures and Algorithms using C++
- Improved problem-solving skills by practicing basic DSA questions
- Participated in hackathons, gaining teamwork and project-building experience

SKILLS:

- Programming Languages: C++, JavaScript
- Frontend Development: HTML, CSS, React.js
- Tools & Technologies: Advanced Excel
- Soft Skills: Communication, Teamwork, Problem-Solving

PROJECTS:

- User List App (React.js): Built a dynamic user listing interface using React with component-based architecture and state management.
- To-Do List App (React.js): Developed a task management app with add, edit, and delete features using React hooks.
- Job Board App (React.js): Created a job listing platform using React with search and filter functionality.
